

END OF TERM 1 SCHOOL CIRCULAR

Greetings

I greet you all, in the name of Almighty God. I take this opportunity to thank God for the gift of life, protection, and for His provision, and for enabling us to successfully complete this term today, 5th Dec. 2025. Our beloved directors have extended greetings to you. They continue to express their utmost gratitude and appreciation to you all, towards supporting and loving SFI Cambridge City School Uganda, formerly J/P Shalom Foundation International School.

Overview

We experienced a few challenges in the course of the term, but were able to navigate through them, and ultimately experience a breakthrough by the grace and love of God. This term was characterized by several breakthroughs.

Our school was rebranded and reregistered as **SFI Cambridge City School Uganda** upon mutual consent and administrative approval by the school's Board of Directors. The school also got a new **principal** to oversee effective management and administration of the school. The school embarked on construction of a new magnificent classroom block. The block will also provide space for administrative and departmental offices.

Academics

Our IGCSE and GCE candidates successfully completed their Cambridge Exams. We kindly request our parents to support their children's learning and facilitate their research mainly by giving them access to research hardware tools such as smartphones, laptops etc. Smartphones can also strategically help them revise and keep in touch with their teachers over the holiday. However, we advise our parents to strictly supervise and monitor their children to avoid misuse of these gadgets most especially smartphones.

School Fees Structure

We had a PTA meeting, and informed our dear parents that the school administration was imminently considering reviewing the school fees structure to address our budget deficits triggered by increased bills, and substantial investment in Cambridge school resources. It's also projected to bridge the current staffing gaps by hiring more staff. Therefore, our school fees structure has slightly changed effective next term. Please kindly visit our School Website to access the newly approved School Fees Structure: <https://sficambridgecityschoolugeduc.com>

Students' Discipline

Our students continue to uphold our core school values, and to demonstrate discipline at all levels. This has always improved our public reputation.
